

Section 1 - First time logon to the database

1. Ensure it is appropriate for you to access the database by contacting webmaster@nswvga.com.au
2. Go to the Members Registration section
3. Click on
 1. Forgot your password? [Click here](#)
4. Enter your email address ONLY. As at this stage you don't know your Username.
5. Wait for the email. If it does not arrive within 15-30 minutes.
 1. repeat step 3, still no email
 2. Email: db@nswvga.net.au from the email address you used in step 4 with your name and role/position
6. Once you receive the email click on the link to take you to the reset password page
7. Take note of your username and enter your password. Write down both pieces of information and store for your future reference. Click "OK"
8. This will take you to your section of the database

Repeat these steps if in the future you forget your password and/or username
